Education

Stony Brook University, Stony Brook, NY

Ph.D. in Applied Mathematics and Statistics — August 2011
Dissertation title: "Hardy-Weinberg Deviation and EM-based Haplotype Frequency Estimation" (advisor: Dr. John J. Chen)
M.S. in Applied Mathematics and Statistics — May 2008

Korea Advanced Institute of Science and Technology, Daejeon, Korea

B.S. in Mathematics (Minor in Electrical Engineering) — August 2003

Work Experience

Associate Professor **April, 2026 – present**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Teach courses and instruct UH learners, faculty, and community members in biostatistics, quantitative health sciences, and related disciplines as they apply to healthcare.
- Serve as academic advisor to graduate students in Quantitative Health Sciences.
- Participate in curriculum development, including creation of course materials and specialized instructional methods.
- Supervise independent study activities.

Biostatistics Core Director **July, 2023 – present**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Providing Statistical Consultation: Offering guidance and support to researchers in study design, statistical methods, and data analysis.
- Collaborating with Researchers: Actively collaborating with researchers from various disciplines on their projects, contributing to data analysis and interpretation.
- Ensuring Data Quality and Integrity: Overseeing data management plans, implementing quality checks, and addressing issues related to data accuracy and completeness.
- Staying Current with Methodological Advances: Keeping up-to-date with the latest methodological advances and statistical techniques in the field of biostatistics.
- Grant and Manuscript Support: Assisting researchers in grant proposal development, providing statistical justification, and collaborating on manuscript preparation.

Acting Biostatistics Core Director **Jan, 2023 – June, 2023**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Providing Statistical Consultation: Offering guidance and support to medical trainee and surgery faculties in study design, statistical methods, and data analysis.
- Continue to support all the researches of Department of surgery with contract renewal (contract period: Jan, 2023-Dec, 2023).
- Holding weekly biostatistics consultation meetings and conducting individual meetings with each staff member.

- Implementing an Artificial Intelligence/Machine Learning initiative for healthcare research within the biostatistics core.

Ola Hawaii Biostatistics Support Facility Director **Jan, 2023 – present**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Statistical consulting: Provide expert guidance and support to researchers in Ola Hawaii, offering statistical advice and solutions for research projects.
- Data management: Oversee data collection, organization, and quality control processes, ensuring accurate and reliable data for analysis.
- Statistical analysis: Conduct advanced statistical analyses on research data, applying appropriate methodologies and techniques to derive meaningful insights.
- Grant development: Collaborate with researchers to develop grant proposals, including statistical considerations and analysis plans, to secure funding for research projects.
- Methodological advancements: Stay abreast of the latest advancements in statistical methods and contribute to the development and implementation of innovative approaches in research design and analysis within Ola Hawaii.

PIKO BERD Core Member **Aug, 2022 – present**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Study design: Collaborating with researchers to develop robust study designs that address research questions effectively.
- Data analysis: Providing expertise in statistical analysis methods to analyze research data accurately and derive meaningful conclusions.
- Statistical consulting: Offering consultation services to researchers, guiding them in study design, data analysis, and interpretation of results.
- Educational workshops: Conducting workshops and training sessions to enhance researchers' understanding of biostatistics and research design principles.

Associate Specialist **July, 2024 – March, 2026**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Performed statistical data analysis and management for biomedical research studies.
- Participated in over 70 manuscripts providing comprehensive statistical data analyses, writing up methods, results and discussions sections related to statistics as well as reviewing full manuscripts.

Assistant Specialist **Mar, 2016 – Jun, 2024**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine

- Performed statistical data analysis and management for biomedical research studies.
- Participated in over 70 manuscripts providing comprehensive statistical data analyses, writing up methods, results and discussions sections related to statistics as well as reviewing full manuscripts.

Biostatistician **Aug, 2021 – Dec, 2023**

Department of Surgery, University of Hawaii John A. Burns School of Medicine

- Resident research curriculum biostatistics lectures: Delivering lectures on biostatistics to residents, providing them with essential knowledge and skills for conducting research.
- Providing expertise in statistical methods, assisting in data analysis and management for surgery research projects.
- Offering personal training to residents, focusing on statistics programming, data analysis, and interpretation of the results to enhance their research capabilities.
- Grant development: Supporting researchers in grant development by providing statistical expertise and guidance, helping to strengthen research proposals and increase chances of funding.

Research Biostatistician **2011 – Feb, 2016**

Biostatistics Core, University of Hawaii John A. Burns School of Medicine

- Performed statistical data analysis and management for biomedical research studies on over 100 projects.
- Supported 7 grant applications providing proper study designs, power/sample size calculations, writing up statistical sections as well as reviewing the applications.
- Participated in 30 manuscripts providing comprehensive statistical data analyses, writing up methods, results and discussions sections related to statistics as well as reviewing full manuscripts.
- Provided statistical consultations to basic science, clinical and translational researchers over 50 projects.
- Conducted statistical methodology research in statistical genetics and multiple hospitalizations.

Biostatistical Consultant **2007 – 2011**

Biostatistical Consulting Core, Stony Brook University School of Medicine

- Consulted and collaborated with basic science and clinical investigators of the Stony Brook University Medical Center and its affiliated institutes on over 15 projects.
- Areas: Pediatrics, Preventive Medicine, Radiology, Surgery, Urology, Internal Medicine, Nursing, OBGYN, and Physical Medicine.

Research Assistant **2007 – 2011**

Preventive Medicine, Stony Brook University

- Derived sample size correction by using variance compensating factor.
- Developed joint estimation of haplotype and Hardy-Weinberg deviation parameters.
- Conducted genetic association study based on undescended testis project.

Statistical Internship **2005 – 2006**

Biostatistical Consulting Core, Stony Brook University School of Medicine

- Analyzed patient safety survey data using SAS.
- Performed statistical analysis on "Lessons learned from a curricular initiative to enhance clinical transactions among medical students" project.

Grants

Role: Biostatistics Support Facility Director, Research Capacity Core
Project Title: Ola Hawaii. 2U54MD007601-36 (PIs: Mokuau Noreen, Jerris Hedges). Project Period: September, 2022 – May, 2027. Funding Agency: NIH/NIMHD. Total: $4,552,815 for 2022

Role: Biostatistician, Biostatistics, Epidemiology, and Research Design Core
Project Title: Applying Systems Thinking to Understand the Impact of COVID-19 on Cardiovascular Health in Native Hawaiians. 5U54GM138062-02. (PI: Keawe'aimoku Kaholokula). Project Period: September 1, 2021 – July 3, 2026. Funding Agency: NIH/NIGMS. Total: $3,000,000 for 2022

Role: Biostatistician
Project Title: Strengthening Data Science Capacity for Biomedical Research Advancement at Hawaii. 5U54GM138062-03S1. (PI: Keawe'aimoku Kaholokula). Project Period: August 1, 2023 – July 31, 2024. Funding Agency: NIH/NIGMS. Total: $391,150. FTE (8%).

Role: Biostatistician
Project Title: Applying Systems Thinking to Understand the Impact of COVID-19 on Cardiovascular Health in Native Hawaiians. HL146930-0351. (PI: Claire Ing). Project Period: July 1, 2021 – March 31, 2023. Funding Agency: HEALTH & HUMAN SVC, DEPT-FED-OFFICE OF MINORITY HEALTH.

Role: Senior Biostatistician (Evaluation team)
Project Title: Advancing Health Literacy to Enhance Equitable Community Responses to COVID-19. (PI: Tetine Sentell). Project Period: July 1, 2021 – June 08, 2023. Funding Agency: HEALTH & HUMAN SVC, DEPT-FED-OFFICE OF MINORITY HEALTH. Total: $3,999,169

Role: Biostatistician, Biostatistics Epidemiology Research Design (BERD) core
Project Title: Clinical and Translational Research Infrastructure Network (MW-CTR-IN). U54GM104944 (PI: Parvesh Kumar). Project Period: September 21, 2017 – June 30, 2022. Funding Agency: NIH/NIGMS. Total: $3,999,869 for 2022

Role: Biostatistician, Research Design and Biostatistics
Project Title: Ola Hawaii. U54MD007601 (PI: Jerris Hedges). Project Period: September 21, 2017 – June 30, 2022. Funding Agency: NIH/NIMHD. Total: $4,414,052 for 2018

Role: Ph.D. Staff Statistician, Research Design and Biostatistics
Project Title: "RCMI Multidisciplinary and Translational Research Infrastructure Expansion (RMATRIX)". U54RR026136 and U54MD007584 (PI: Jerris Hedges). Project Period: September 16, 2010 – April 30, 2020. Funding Agency: NIH/NIMHD. Total: $3,100,000 for 2018

Role: Biostatistician, Research Design and Biostatistics
Project Title: "Hospital Quality Reports for Expectant Mothers: Considering Race and Language". RFA-HS-12-004 (PI: Tetine Sentell). Project Period: September 1, 2012 – August 30, 2015. Funding Agency: NIH/AHRQ R21. Total: $311,925 for 2014

Role: Biostatistician, Research Design and Biostatistics
Project Title: Subproject Title: "Understanding and Reducing Ethnic Disparities in Preventable Hospitalizations". RFA-MD-11-002 (PI: Marjorie Mau). September 30, 2002 – October 31, 2017. Funding Agency: NIMHD Exploratory Centers of Excellence (P20). Total: $1,284,397 for 2014

Contracts

Project Title: Hawaii Maternal Telehealth Access — Funding Period End Date: 11/01/2026. FTE: 28%

Project Title: Red Hill Registry Basic Overarching — Funding Period End Date: 05/31/2029. FTE: 10%

UHM Courses Taught

Graduate level courses

Clinical and Translational Research Graduate Program, John A. Burns School of Medicine

- Biomedical Statistics II (QHS 602) – Sp 19, 20, 21
- Special Topics in QHS (QHS 670) – F 20
- Biostatistics Concepts for Clinical Researchers (QHS 600) – F 21, 22, 23, 24, 25

School of Nursing and Dental Hygiene, University of Hawaii at Manoa

- Biostatistics: Application in the Advanced Nursing Practice Setting (NURS 671) – Sp & Su 13

Undergraduate level courses

Department of Quantitative Health Sciences, John A. Burns School of Medicine

- Math Prep for QHS (QHS 401) – Su 22, 25

Department of Communication Sciences & Disorders, John A. Burns School of Medicine

- Basic Statistics (CSD 438) – Su 17, 18, 19, 20, 21, 23, 24, 25, 26

Number of Master's Plan A & Doctoral Committees

Term	Plan A Chair	Plan A Member	Doctoral Chair	Doctoral Member
F 21	0	0	0	1
S 25	0	0	0	1
F 26	0	0	0	1

Professional Experience

Conference Presentation

1. 2018 Inaugural Healthcare Conference (9/20/18, Honolulu, Hawaii): oral presentation
2. Caring for Data in Hawai‘i Symposium (4/14/22, Honolulu, Hawaii): oral presentation
3. Zhang R, Mellor C, Nishio AA, **Ahn HJ**, Brito A, Carlton W, Eischen M, Ra J, Yong FA. Eastern Association for the Surgery of Trauma (EAST) Annual Scientific Assembly (Quick Shot presentation, 1/15/2027, 8:30–8:36am): "Tourist Trauma in a Geographically Isolated State: Greater Injury Severity Among Tourists Compared to Residents" (co-author)

Poster Presentation

1. RCMI (Research Centers in Minority Institutions) Consortium National Conference (2024, Bethesda, Maryland): poster presentation — "Substance Use Disorder Hospitalization Profiles and Readmissions: An Analysis from 2015 to 2017 Hawaii Inpatient Data" (first author and presenter)
2. RCMI (Research Centers in Minority Institutions) Consortium National Conference (2025, Bethesda, Maryland): poster presentation — "Exploring the Diagnostic Performance of Machine Learning in Metabolic Phenotypes" (first author and presenter)
3. SMFM 2026 Pregnancy Meeting™ (Poster Session 4, February 12, 2026, Las Vegas, Nevada): poster presentation — "Geographic and Social Burden of Inter-Island Travel for Obstetric Delivery in Hawai'i" (presenter)
4. SMFM 2026 Pregnancy Meeting™ (Poster Session 1, February 11, 2026, Las Vegas, Nevada): poster presentation — "Geographic and Demographic Risk Factors for Stillbirth in Hawai'i" (presenter)
5. Kanja K, Brenner N, Tsuneoka M, Ahn HJ, Yoon HC, Gimber L. American College of Radiology 2026 Annual Meeting (Washington, DC, May 2, 2026): ePoster — “Straight to CT: Using Body Mass Index (BMI) to Guide First-Line Imaging Selection in Suspected Cases of Acute Appendicitis” (co-author)
6. RCMI (Research Centers in Minority Institutions) Consortium National Conference (July 19, 2026, Bethesda, Maryland): poster presentation — "Rising Nontuberculosis Mycobacterial Pulmonary Disease in Hawai'i: A 10-Year Analysis" (co-author)
7. RCMI (Research Centers in Minority Institutions) Consortium National Conference (2026, Bethesda, Maryland): poster presentation — "Interface-Driven Bias in Federated EHR Platforms" (first author and presenter)

8. Viola M, Ludwig M, Brown Y, Freitas W, Ahn HJ, Fernandez S, Dugas D, Carrazana E, Pitts B, Liow KK. 2026 Hawaii Neuroscience and Research Symposium, Hawaii Pacific Neuroscience Summer Internship Program (Honolulu, HI, August 1, 2026): poster presentation — "Pediatric Vulnerability to Anti-Seizure Medication-Induced SJS, TEN, and DRESS: A Pharmacovigilance Analysis of the AEMS Database" (co-author)
9. Seu L, Kaneko T, Skinner K, Stiavetti-Gaudio N, Washington G, Ahn HJ, Sonson M, Zhi Q, Pitts B, Carrazana E, Liow KK. 2026 Hawaii Neuroscience and Research Symposium, Hawaii Pacific Neuroscience Summer Internship Program (Honolulu, HI, August 1, 2026): poster presentation — "Comparative Pharmacovigilance of Quetiapine, Clozapine, and Pimavanserin in Dementia with Lewy Bodies: A FAERS Analysis" (co-author)
10. Guo J, Lee V, Arii E, Wickham A, Ahn HJ, Sonson M, Pitts B, Carrazana E, Liow K. 2026 Hawaii Neuroscience Symposium (Honolulu, HI, August 1, 2026): poster presentation — "Cardiac Autonomic Context Moderates the Association Between EEG Alpha Reactivity and Reaction Time in Mild Cognitive Impairment" (co-author) — First-Place Poster Award ($1,500), Poster Competition for Residents and Students
11. 85th Annual Meeting of the American Association for the Surgery of Trauma (AAST) and Clinical Congress of Acute Care Surgery (August 26, 2026): poster presentation — "Whole Blood Resuscitation for Pregnant Trauma Patients" (co-author)

Invited Speaker

1. 2019 6th Annual Mountain West CTR-IN (BERD) (6/11/19, Las Vegas, Nevada) meeting: oral presentation

Guest Lectures & Workshops

JABSOM Pediatric Academic Half Day (AHD) — Guest Speaker **2021 – present**

Department of Pediatrics, University of Hawaii John A. Burns School of Medicine

- Sharing resources, processes, and requirements for conducting research at the University of Hawaii.

MD4 Biostatistics Journal Club — Guest Lecturer **2021 – present**

University of Hawaii John A. Burns School of Medicine

- Annual guest lecture for fourth-year medical students on biostatistics in the context of journal club critical appraisal.

Maternal-Fetal Medicine (MFM) Fellowship — Guest Lecture Series in Biostatistics **Dec, 2025 – present**

Department of Obstetrics, Gynecology, and Women's Health, University of Hawaii John A. Burns School of Medicine

- Module 1: Organizing, Displaying, and Describing Data
- Module 2: Boxplot, Location, and z-score
- Module 3: Basic Probability Theory and Correlation
- Module 4: Collecting Data
- Module 5: Confidence Interval, Hypothesis and P-values
- Module 6: Statistical Tests (Six Steps, One-sample Test for Mean)
- Module 7: Testing About Difference Between Two Groups
- Module 8: Examining Cross-Tabulations: The Chi-Square and Associated Statistics
- Module 9: Linear Association and Least-Squares Regression
- Module 10: Logistic Regression

Data Science Workshops — Day 1 Speaker **Aug 18–22, 2025**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine (virtual)

- Day 1: Multiple Testing & Missing Data — risk of multiple testing and false positives, Bonferroni & FDR corrections, MCAR/MAR/MNAR patterns, multiple imputation in R

Data Science Workshops — Day 1 Speaker **May 26–29, 2026**

Department of Quantitative Health Sciences, University of Hawaii John A. Burns School of Medicine (virtual)

- Day 1: When Data Misbehaves — Practical Solutions for Multiple Testing & Missing Data: controlling false positives (Bonferroni, Holm, FDR), missing data types (MCAR/MAR/MNAR), multiple imputation and sensitivity analysis, hands-on implementation in R

Queen's Summer Research Internship (SRI) — Guest Speaker **July 6, 2026**

The Queen's Medical Center

- "Basic Biostatistics for Clinical Research: How to Ask Better Research Questions and Avoid Common Statistical Mistakes" — lecture for undergraduate research interns

Manuscript Reviews

Peer Reviewer, PLOS ONE

Peer Reviewer, Pediatrics

Peer Reviewer, Journal of Population Research

Peer Reviewer, Hawaii Journal of Medicine and Public Health

Peer Reviewer, Journal of Immigrant and Minority Health

Peer Reviewer, Journal of Science and Medicine in Sport

Peer Reviewer, Applied Neuropsychology: Child

Peer Reviewer, Journal of Health Care for the Poor and Underserved

Mentoring

Graduate students

- Masako Matsunaga (QHS, MS capstone project mentor, 2020)
- Katlyn An (CR, MS capstone project mentor, 2020)
- William Lew (GCERT academic advisor, 2024)
- Min-Hee Kim (QHS, GCERT and MS, capstone project chair, 2024 – current)
- Sophia Garrido Chavez (CR, GCERT and MS, capstone project chair, 2024 – 2025)
- Zscharmain Gutierrez Cadiena (CR, MS, capstone project chair, 2025 – current)
- Noa Brenner (QHS, MSQHCR, capstone project committee, 2025 – 2026)
- Olivia Uchima (Public Health, PhD dissertation committee, 2022)
- Cherese Shelton (Nutrition, PhD dissertation committee, 2025)
- Beverly Rice (Molecular Biosciences & Bioengineering, PhD dissertation committee, 2025–2026; dissertation completed)
- Shaina Young (T32 AIPrN Program predoctoral trainee, co-mentor, 2026 – current)
- Archana-Gayle Delos Reyes (QHS, MS, capstone project chair, 2025 – current)

Undergraduate students

- William Lew (UCSB undergraduate senior, 2021)
- Craig An (Stony Brook University sophomore, research mentor, 2026 – current)

Medical students (MD Program)

- Jayson Guo (MD Candidate, Class of 2029, research mentor, 2026 – current) — mentee received the First-Place Poster Award ($1,500) at the 2026 Hawaii Neuroscience and Research Symposium Poster Competition

Maternal-Fetal Medicine Fellows (Thesis statistical mentor)

- Elizabeth Mercer, MD (Maternal-Fetal Medicine Fellowship, 2026 – current)
- La-Tisha Frazier, MD, MSN (Maternal-Fetal Medicine Fellowship, 2026 – current)

Program Coordinator/Statistics Mentor (2014 – 2019)

Hawaii Pacific Health Summer Student Research Program

Other Information

Dean's Advisory Committee on Appointment, Promotion and Tenure (DACAPT) **Oct, 2025 – present**
University of Hawaii John A. Burns School of Medicine

RCMI CRN Data Working Group (National) **April, 2026 – present**
Research Centers in Minority Institutions (RCMI) Consortium

Hawaii Clinical Research Network (TriNetX) **March, 2026 – present**
University of Hawaii John A. Burns School of Medicine

GME Research Mind Meld Mtg **Nov, 2025 – present**
University of Hawaii Graduate Medical Education (GME)

UH Information Security Governance Council for Research (ISGC-R) **Feb, 2026 – present**
University of Hawaii, Office of the Vice President for Research and Innovation

LCME Departmental Representative **Nov, 2024 – Feb, 2025**
University of Hawaii John A. Burns School of Medicine
